Dr. Anbumozhi Venkatachalam, ADBI

Justice Nasir Aslam Zahid, Pakistan

Secretariat Office was represented by Ms. Sylvia Yambem

1. Concerns were raised on annual funding for the Conference. As the cost of conference organizing was rising , the participants would be asked to make their own arrangements as much as possible.
2. The budget cuts were discussed for the next 2011 Conference which the Nepal Team offered to hold at Kathmandu. The theme should be Climate Change.
3. The participants agreed to bring projects to the secretariat so that funding could be shared.
4. The NAPSIPAG requires change in the Constitution for improving the stability and functionality of the Secretariat. The eligibility for membership also requires changes but this was kept on hold till the next Conference.
5. Conference should not become an occasion for academic tourism so the members were asked to follow up the conference with a publication.
6. The meeting ended with a vote of thanks to the Chair.
